

To All the Good People of MOSES:

The MOSES Fundraising Team has been working hard to raise money to meet our fundraising goals. As you may already know, there are few foundations or grants that support advocacy work, as most monies are targeted for direct services. However, we know that changing policies will decrease the need for direct services to those who are imprisoned and their families. This is the important work we do.

Therefore, it is important to have a stream of funds flowing in to meet our budget requirements. That can be done by people becoming ***Sustaining Members***. If all MOSES membership donated \$10.00 per month, that would add up to some significant income that we could count on annually. If you have the ability to donate more, that would be greatly appreciated. To become a sustaining member, please click the link: [Sustaining Member Form](#)

The next email you will receive is an email "blast". Eight of us worked very hard on this email to make it reflective of the work we do. This way of fundraising has had positive results for other WISDOM affiliates.

**What we are also asking** is that you send the Sustaining Membership Request email to those of your friends that you think would be supportive of our work. At the very least, your friends will know all that MOSES is doing in our community. Our hope is that they will support our efforts in any way they are able.

**We thank you** for helping us to find a way to sustain the work we all do through MOSES. If you have any questions, please feel free to contact us at [mosesmadisonstaff@gmail.com](mailto:mosesmadisonstaff@gmail.com).
