In allowing my children to participate in Sunday School and Family Ministry events, I understand that Messiah Church takes and uses photos and videos. Periodically, Messiah Church may post these photos and videos on Internet sites, including social media. Children's names will not be included. We ask families who post on social media to be considerate of one another and to follow these safeguards: do not tag children besides your own, crop your photos to show only your family members and pertinent Messiah Staff, and please, no close-up photos of children not in your family. *We appreciate everyone giving intentional thought to respecting the privacy of our faith family.*
