

How do I get started with Realm?

If you have an email address on file with the church, you have a profile waiting to be activated. To activate your profile and get started with Realm, you need to open an email with the subject line “**Messiah Lutheran Church, Join our online community**” Follow these steps to activate your profile:

1. Open the email and follow the directions to create a password. You will then be sent a verification email.
2. Open the verification email and click on the link to verify your account. Your profile is now activated!
3. To log in to Realm, go to **onrealm.org**, and click on the Realm **Sign In** button.
4. Enter your email address and the password you just created.
5. Congratulations!! You are on Realm.
6. If on a phone or tablet, download the APP for easy access.

I didn't receive an email invitation. What do I do?

You may have received your email invitation and did not realize it. If you did not receive an email invitation, first please check your spam/junk folder. If the email invitation is not there, please contact Judy Armelin at *ourchurch@messiahchurch.com* and she will send you another invitation.

If you think the email address we have on file, could no longer be active, please email Judy to update your email address. If you did not receive an email invitation and you don't have an email address on file, with the church, you will need to give Judy your email address.

FYI- Each profile is linked to a separate email address so that each individual receives emails and information for the groups they belong to. Therefore, two or more people cannot use the same email address.

If you have any questions, please call or send a message to the church office.
